# Where it all started for Brickworld...

...where did it start for you?

We still remember...

# Brickworld Challenge

- Involve an individual or group in a sustained LEGO activity
- Submit your success story by April 30, 2009
- Entries will be judged by the overall level of success and biased by circumstances and a prize will be awarded to the winner at Brickworld 2009
- Details will be posted on the Brickworld web site

# Keynote Speaker

- Mr. Tormod Askildsen
- Head of LEGO Community Development
- Favorite element: The 2 x 4 red brick
- Favorite set: A LEGO Factory model replica of his 1956 Volvo 444 given to him as a birthday present
- Favorite theme: Sorry – he wouldn't commit
